Intelligence Analysis Training

**Criminal and
Commercial
intelligence themes**

**5-Day Intensive
Training**

The Foundation Course is intended for those seeking a formal introduction to tactical intelligence analysis. It comprises specially designed and integrated material, together with practical exercises in analytical techniques and processes that are used professionally for criminal and commercial intelligence applications (such as analysing financial fraud). The content and delivery style of this course is intended to maximise learning outcomes.

Our trainers are intelligence practitioners with veritable training experience, so provide a real-world perspective of the subject matter.

Tendo Solutions is presenting this 5-day training programme in association with its strategic training partner, RISC [Research & Intelligence Support Centre] at our Central London training venue.

Certification is awarded at the end of the course.

Course intake

Monday 23 - Friday 27 April 2012

Syllabus

The syllabus for this training programme includes NIM (UK National Intelligence Model), Conceptual Modelling, Collection Planning, Reactive Pattern Analysis, Source Evaluation, Network Analysis, SWOT Analysis, Inference Development, Application of Inductive Logic, Graphical Charting, Commodity Flow Charting, Activity Flows, Sequence of Events (SoE), Legislation Awareness, and Intelligence Briefing.

This 5-day course is scheduled for 23-27 April 2012. Delegate places are limited so we recommend early booking.

Those with a background in investigations, law enforcement or security may have an advantage when studying for this course; however, previous experience is not required. This programme is open to delegates wishing to develop their analytical proficiency or for those considering a career change to intelligence analysis.

 Our training venue has disabled access, disabled toilet facilities and lifts. However, delegates who are disabled or require assistance with their mobility should advise us beforehand so that we can provide practical support.

To secure a place on this Foundation Course, we require full payment which is non-refundable. Cost excludes VAT.

£720 + VAT per delegate for this 5-day training course

This discounted rate is valid until 29 February 2012 and then rises to £850 + VAT

Payment can be made by telephone with a debit or credit card. Alternatively we accept electronic bank transfer and cheque payments. Those wishing to use Tendo Training Vouchers towards payment may do so.
